

SHIP 2 SHORE

ON LINE MAGAZINE OF MARITIME AND TRANSPORT ECONOMICS

Mobility: new initiatives. Ship, road & rail. Belt & Road

Tuesday, January 22nd

**Caspian
week**

21 – 25 January 2019, Davos

SHIP2SHORE (S2S), founded in **2004** in Genoa (Italy), is an online only review (daily stories, regular newsletters and illustrated weekly magazine), published both **in Italian and English**

Reference source of classified information for the sector, it deals with all modes of transport and activities related to the **shipping of freight**, as well as the land phase (road and rail), **intermodalism, logistics, heavy commodities** and **energy**

S2S also deals with the **passenger market** in its maritime leg, namely: cruise, ferry and yacht businesses

The featured areas are (mainly) **Italy** and the **Mediterranean**
